THE MALE BAG FOUNDATION SPONSOR KIT 2018

Through iconic postie bike rides we raise funds for specialist prostate equipment and services to boost the detection, treatment and recovery from prostate cancer. Each participant pays for the ride costs so every dollar we raise goes to patient care that helps individuals, families and regional communities.

PATRON'S STATEMENT

DALE BAG FOUNDATION

We have the bikes, we have the riders and lots of enthusiastic supporters – but we also need your help with sponsorship.

I'm honoured to be the official patron of The Male Bag Foundation and Ride.

It's important we continue to spread the word about prostate cancer, in the hope that we can save more men from this insidious disease that kills over 3300 Australian men annually.

The Male Bag Foundation is a registered Tax Deductible Charity. 100% of the money raised through sponsorship goes to supporting prostate cancer, to fund awareness campaigns, diagnostic equipment and nurse support for this uniquely male disease.

A call to our valued sponsors, service clubs, regional communities, riders & event volunteers – Your invitation

Please accept this note as an invitation to actively support our iconic ride in 2018, an epic 2,000km tour to raise money for a great cause. By joining us you will raise awareness in prostate cancer, help patients and their families,

as well as the regional communities in which they live. Join us as a sponsor, rider, service club or event support and achieve lasting personal and community goals and lifelong memories.

The Foundation has

a proven reputation as a charity that makes a difference, especially for people living in regional Australia. It's also a great team and, in joining us on The Male Bag Ride 2018, make friendships that will be valued for life, and help others. I so look forward to seeing among us.

I encourage you to consider being a part of The Male Bag Ride 2018.

David Parkin, OAM Patron and Rider The Male Bag Foundation

THE MALE BAG RIDE, OCTOBER 2018

Building on Success

The Male Bag Ride 2018 follows in the tread marks of our 2013 trans-Australian ride from Perth to Melbourne, a ride in Tasmania, followed by rides in Gippsland and the Murray River and District. To date we have raised over \$800,000 for research and specialist equipment and services for regional centres including Ballarat, Bairnsdale, Echuca and Bendigo.

Our 2018 Mission

In 2018 our donations will be directed to improved prostate services in regional NSW centres. We have set a fund-raising target of \$300,000 so we can supply biopsy machines to regional centres. But we want to raise more and improve the lives of patients, families and communities.

The Male Bag Ride, October 2018

From Saturday 20 to Sunday 28 October.

The ride leaves and ends in Melbourne, with a hosted reception for all supporters.

It covers 2000km in 9 days for 30 riders. There are openings for those who whish to join the ride for a day or weekend.

The ride visits some major NSW cities and Canberra.

There will be evening events with service and community groups, and VIP events in Canberra and on return to Melbourne.
